## 2007-2008 Digital Humanities Lecture Series

# Scholarship at the Interface: New Directions in the Digital Humanities

## **VECTORS** Journal of Culture and Technology in a Dynamic Vernacular

Vectors is a new international electronic journal that brings together visionary scholars with cutting-edge designers and technologists to propose a thorough rethinking of the dynamic relationship of form to content in academic research, focusing on ways technology shapes, transforms and reconfigures social and cultural relations.
