

Dear Friends of HUCE,

This email contains event listings for Thursday, September 27 through Wednesday, October 10, 2007. Please check the HUCE calendar on our Web site, www.environment.harvard.edu, for the most up-to-date listings and complete event descriptions throughout the semester.

If you would like to submit an event to the calendar or unsubscribe(!) from this list, contact Jenn Goodman at the Center for the Environment: jenn_goodman@harvard.edu.

Please distribute this email to your students, faculty, colleagues, and anyone else who may be interested in environmental events around the community. We hope to see you soon and often.

Highlights:

- Friday, September 28—Saturday, September 29: Alternative Transportation & Energy Festival: see the best the world has to offer in clean transportation and energy technologies at Boston's City Hall plaza. All day; rain or shine.
- Wednesday, October 3: Forum: Thomas C. Schelling, Nobel Prize Laureate in Economics (2005) presents the 2007 Godkin Lecture at the John F. Kennedy Forum, Kennedy School of Government.
