

Health Imperatives is a non-profit community-based agency, serving families and individuals in Southeastern, MA. Our mission is to improve the health and wellbeing of low-income or vulnerable families and individuals in Southeastern Massachusetts. We accomplish this mission by administering both health and violence intervention and prevention programs and services.

**TITLE:** Sexual Assault Counselor

**HOURS:** Full Time

**PROGRAM:** A New Day

**SALARY:** \$27.47/HR - \$30.21/HR

**DUTIES:** Under the direct supervision of the A New Day Program Manager, the Survivor Services Counselor will provide crisis intervention support and advocacy to survivors of sexual violence and their significant others.

- Provide crisis support, intervention, and advocacy to survivors of sexual violence.
- Provide case management (i.e.: manage internal referrals, needs assessments, and community referrals).
- Provide day to day hotline and medical advocacy coverage as needed.
- On-call / after-hours staff back up coverage.
- Provide individual and group support to survivors of sexual assault.
- Work closely with the program manager to ensure comprehensive advocacy, referrals, and case management services are provided when requested and/or appropriate.
- Transport clients as appropriate.
- Provide community outreach and education to build referral sources and volunteer base.
- Participate in staff meetings and required clinical supervision.
- Participate in community events and meetings as relevant to the position and increasing client capacity.
- Maintain up-to-date client files, statistical data, billing information, and monthly reports.
- Work collaboratively with community partnerships at co-locations in Brockton, Quincy, and Plymouth, MA with the specific goal of increasing access to services for key target populations.
- Any other duties assigned.

**REQUIRED QUALIFICATIONS:** Master's degree in counseling psychology, social work or related field and three years of experience in social services, education, health care, or related field. Lived and professional experience in the field will be considered. Ability to maintain a flexible schedule in accordance with program needs; evenings and/or weekend emergency responses may be required. Understanding of trauma and its effects within the dynamics of sexual violence. Demonstrated successes in individual and group support with diverse clients and diverse client needs. Strong communication skills and the ability to facilitate small and large group meetings. Travel is required, a valid driver's license, registration, auto insurance, and a safe driver's record. Applicants who are bilingual in Haitian Creole, Cape Verdean Creole, Portuguese or Spanish are encouraged to apply.
