

Apply to the Advancing Behavioral Health Equity for Justice-Involved Adults Project

Led by Ayorkor Gaba, Psy.D.
University of Massachusetts
Medical School

Research Goal:

Research improving equitable behavioral health services for justice-involved adults with co-occurring mental health and substance use disorder (COD)

Research Focus: Implementation Science, Criminal Justice, Behavioral Health Equity, COD, Qualitative Research

Position:

The bilingual (Spanish/English) qualitative interviewer will conduct, transcribe, and code interviews with justice-involved adults with COD, court staff, and clinical staff. This is a remote, part-time position. Women, minorities, individuals with lived experiences, and intersectional individuals are encouraged to apply.

Open Part-Time Bilingual Qualitative Interviewer Position
