

Assistant Professor

(Tenure-Track)

College of Humanities and Social Sciences
Department of Psychology
Louisiana State University

The Department of Psychology at Louisiana State University invites applicants for a tenure-track Assistant Professor in Affective or Cognitive Neuroscience beginning Fall 2015. Duties will include graduate and undergraduate teaching in neuroscience; developing a strong, systemic line of research; publishing in top-tier journals in related area of research and supervising student research.

Required Qualifications: Ph.D. in Psychology or Neuroscience and a research program that uses neuroscience approaches to study human emotion and/or cognition. ABD candidates who will finish by the time of the appointment will be considered. Must have a sufficient research record to demonstrate the potential to develop a nationally recognized program and attract research funding.

Preferred Qualifications: Candidates with strengths in computational modeling/methods are particularly encouraged to apply.

Salary is commensurate with qualifications and experience. An offer of employment is contingent on a satisfactory pre-employment background check. Application review will begin on November 1, 2014 and remain open until a candidate is selected.
